OUR MISSION

The Mission Statement of the Board declares that *the Anglican Missions Board enables the Anglican Church in Aotearoa, New Zealand and Polynesia, in a spirit of partnership, to share in the global dimension of Christ's Mission.* It does this by:

Mobilising the Church to pray, give, go and support the global missions of our Church, and to tell mission stories.

Partnering for effective mission with Partner Churches worldwide, Tikanga mission enterprises, and associated Anglican and ecumenical mission agencies.

Resourceing effective mission with financial and cultural integrity; resourceing partnerships, emergency response, especially in our region, poverty projects; and acting as an agency for our diverse church.

OUR VISION

A primary focus for Anglican Missions is the Anglican Consultative Council's Statement of Mission now incorporated into the Constitution of this Church. Anglican Missions promotes this focus and encourages the church to:

Evangelise: Proclaiming the good news of the Kingdom.

Nurture: Teaching, baptising and nurturing the Christian Faith.

Serve: Responding to human needs by loving service.

Transform: Transforming the unjust structures of society.

Preserve: Preserving the integrity of creation for future generations.

A BRIEF HISTORY

The Anglican Missions Board of the Church in Aotearoa, New Zealand and Polynesia (commonly known as *Anglican Missions*, *AMB*, or *the Board*) first established by the Church in 1922, is an Incorporated Charitable Trust coordinating the overseas mission of the Church. In 1998, the Board's Canon was reviewed and updated to reflect the 3 Tikanga composition of the Church with AMB's coordination of overseas mission being funded primarily through giving from parishes and rohe, with additional support coming from trusts, bequests and individuals. In 2008, the Board was registered as a charitable entity with the Charities Commission in accordance with the Charities Act 2005*.

*The Board does not have Donee Status, as specified under the 2007 Tax Act. (www.ird.govt.nz/charitable-organisations/request-overseas-status/) and is therefore not able to give Tax Deductible receipts.

MORE INFORMATION

A Summary of the Board's Financial Accounts will be published in April 2015, on the Anglican Missions website www.angmissions.org.nz. A full set of Audited Accounts may be obtained, on approval, from the Anglican Missions Office.

LOCAL SUPPORT NETWORKS

Currently, Anglican Missions provides Mission Grants and Allocations in support of a wide range of mission activities including the nurturing, and provision of resources for new faith communities; aid and relief work; development projects; clergy support; assistance with church administration; theological training for church leaders; primary health care; education for children; the sending of Mission Partners; and special and emergency appeals. Anglican Missions coordinates multi cultural mission in partnership with various overseas countries, India, South East Asia, Africa, the Middle East, Oceania, and The Pacific.

In presenting this Annual Report, The Anglican Missions Board (AMB) is grateful for the continuing partnership with Tikanga Missions Councils, Diocesan Missions Councils, parishes /rohe, various church groups, Trusts and individuals. Without their support, the sending of Mission Partners, the support of Church Partnerships and Mission Projects would not be possible.

Thank you.

A MISSION WE SHARE

We are thankful for the vision, fortitude and hard-work of our many partners in mission, who seek to answer God's call to participate in Christ's Mission. Through them missionaries are sent to foreign lands; churches, schools, and hospitals are built and supported; the poor are affirmed and uplifted particularly during tough times; and God's presence is visible in dark places.

To our Provincial church – it never ceases to amaze us how generous and committed you continue to be in supporting the overseas dimension of mission. Despite the many challenges in our own neighbourhood, the vast majority of parishes and rohe from across the broad spectrum of our 3 Tikanga church continue to pray for and give to the global mission of God expressed through the work of AMB.

Finally, we want to thank each Board and staff member of AMB for their hard work and contribution to the Board's Vision, direction, and expression of mission. This has been a year of change, many challenges, and so much to be thankful for.

Together we can make a difference.

Our Work

MISSION PARTNERSHIPS: GRANTS, ALLOCATIONS AND EMERGENCIES

Mission Grants, Allocations and Emergencies amounted to \$1.225 million (\$1.188 million 2013), an increase of \$37,000 overall. Emergency Grants and Projects increased by \$80,000 from \$16,000 in 2013 to \$96,000 in 2014, with substantial response to the Solomon Islands Floods Appeal (\$51,000), and the Al Ahli Arab Anglican Hospital Appeal in Gaza (\$35,000). Base Grants for 2014 reduced by

\$44,000 with NZCMS reducing by \$17,000 and The Diocese of Polynesia reducing their Grant request to AMB by \$27,000, resulting in a corresponding reduction in the Grant allocated. However, this was offset by Specified Donations to the Diocese of Polynesia which increased by \$66,000, from \$86,000 (2013) to \$152,000 (2014).

The Lenten Appeal increased by \$9,000 to raise over \$24,000 for projects in Jerusalem and the Middle East.

Other allocations grew by \$4,000, with a \$5,000 reduction in the Te Pihopatanga grant offset by a \$9,000 increase in Partner Project co-ordination and support. Specified Donations overall grew by \$59,000, grants to the Tikanga Pākehā Missions Council (including for short-term mission trips) grew slightly, by \$1,500 to \$27,000 along with an increase of \$1,500 in the grant to the Church in Melanesia to \$3,500.

Significant grants went to the work of:

NZCMS (\$550,000). Anglican Missions major support continues to go to the New Zealand Church Missionary Society (NZCMS), as it has since the Board's inception in 1922. An Accord between Anglican Missions and NZCMS forms the basis of a partnership between the two entities. The AMB support enabled 34 Mission partners to serve overseas in educational work, community development, evangelism/church planting/enabling ministry and literacy work. These have all involved help transform, in some way, the individuals and communities overseas for Christ. NZCMS currently has partners working in Asia, Europe, East Africa and the Middle East.

The Diocese of Polynesia (\$123,000). Anglican Missions supports various projects including Evangelism, Education, Mission (Clergy) Support, Health and Development Projects including the resettlement of *Landless People*, *Anglicare*, *House of Sarah* (providing counselling, refuge, and training for women in Fiji), *Outboard Motor*, *wheelchairs* and *Water for All* projects. that the resettlement of the Landless People of Nadawa should start in 2015, and be completed by 2017.

The Anglican Church of Papua New Guinea (\$33,000) support for Finance, and Transit House.

Tikanga Māori Missions (TMMC) (\$80,000). The grant to Tikanga Māori has supported Australian Māori Missions outreach activities in Brisbane, Sydney, and a newly established Mission in Perth. A New Zealand secretariat has also been established for the Anglican Indigenous Network. Youth work based in Christchurch continues to support other youth groups in Aotearoa, Brisbane and Perth.

Tikanga Pākehā Missions Council (TPMC) (\$27,000). Anglican Missions supports seven parish short-term Mission Teams in 2014. These parish groups went to PNG, Tonga, Fiji, Kondo and Tanzania.

The Church in Melanesia (\$3,500). The grant enabled a number of community projects including cocoa and vegetable farming, poultry farming, a canteen project, and community farming by the Sisters of the Church.

The Episcopal Church in Jerusalem and the Middle East (\$24,000). These funds provided a Training programme for Gambella Clergy in Ethiopia and kindergarten facilities for St George's Church in Baghdad.

The Anglican Church in Tanzania (\$18,000). The Anglican Missions supports the Ministry of the Archbishop and leadership training for new Bishops.

OTHER EXPENDITURE

\$564,000 (2013 \$536,000).

As with all mission and aid organisations, there is significant expenditure beyond the Grants and Projects disbursed. During 2014, the Anglican Missions Non Grant Expenditure totalled \$564,000, an increase of \$28,000 compared to 2013. This equates to 24.5% of total income received (2013 30.4%). Non grant expenditure encompasses all expenditure not distributed on Mission Grants or Allocations and comprises the following:

(1) Mission Mobilisation

\$233,000 (2013 \$228,000)

The Strategic Plan of Anglican Missions for 2010-2014 has focused on shaping, mobilising and connecting our Provincial Church with Overseas Mission. The Board has invested substantially in recent years to encourage the Church to *pray, give, go and engage in Mission action, and to tell Mission stories.*

The appointment of a Missions Educator at St John's Theological College, and the adoption of a "Decade of Mission" by the General Synod, during 2014 are seen as major milestones as the Church responds to Mission Mobilisation efforts.

A more detailed discussion of Mobilisation activities is included later in this Report.

(2) Administration

\$212,000 (2013 \$186,000).

Essential services to ensure Anglican Missions maintains its high standard of funds accountability and administration. After a reduction in 2013 due to temporary staff changes, 2014 saw a return to a full complement with costs returning to 2012 levels.

(3) Anglican House

\$93,000 (2013 \$90,000).

The Board regularly reviews the costs and benefits of its 50% ownership of Anglican House, acknowledging that while, as a former Bishop's residence, it is a

Picton to St Andrew's Tonga (Parish outreach team). Credit Richard Dyer

Taonga of the church, continued ownership and occupancy must also be seen to be commercially viable. During 2014, it is pleasing that it was able to generate a surplus of \$11,000. We continue to be thankful for the provision of an office in such a strategic place, in Wellington. The access is easy for all public transport, and we are close to the Diocesan Office, and share good fellowship and relationship with the Anglican Church Pension Board. The Board Room at Anglican House is used regularly, both by

the Pension Board, Anglican Missions and Anglican Missions partners e.g. TPMC.

(4) Governance

\$25,000 (2013 \$30,000).

Ensuring that Anglican Missions continues to operate with best practise governance, and decision making in accordance with the Board's Canon and the aspirations of the 3 Tikanga.

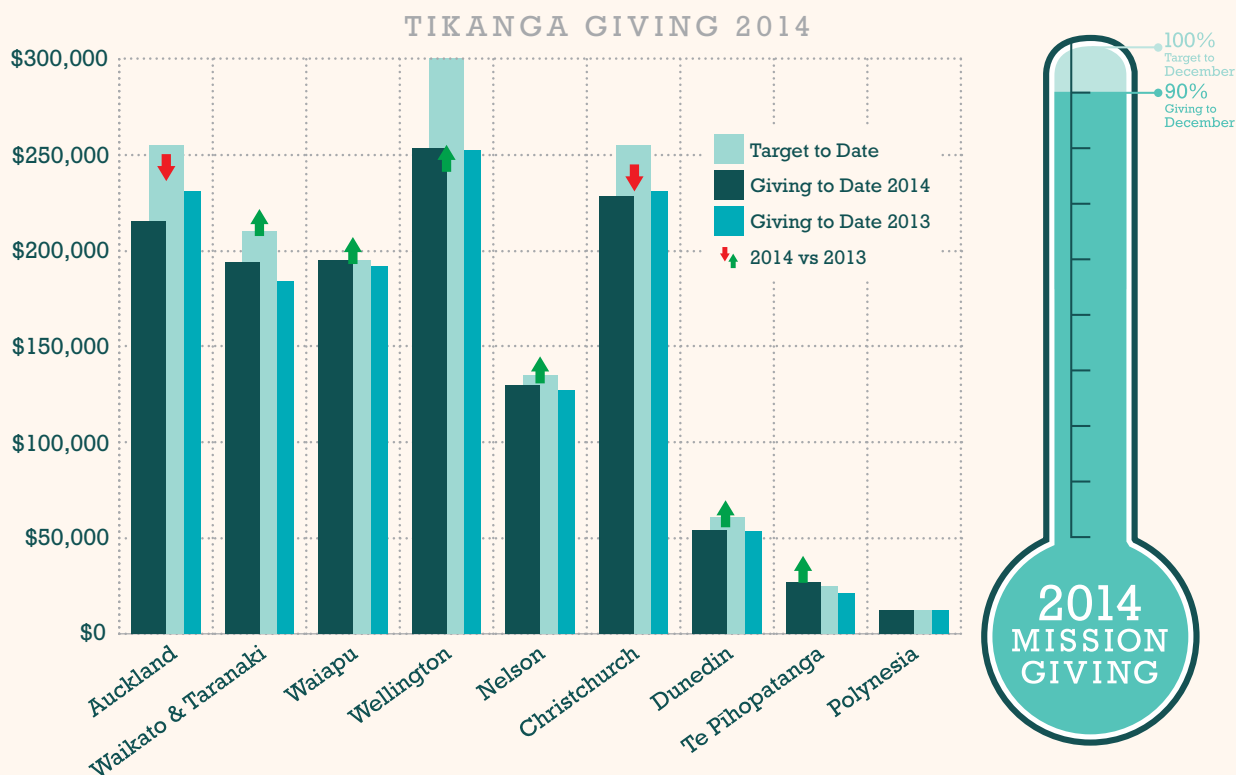

Your Gifts

2014 TIKANGA GIVING \$1,308,000 (2013 \$1,303,000).

Anglican Missions funds the overseas mission of the Church primarily through pledged giving from individual parishes/rohe in consultation with Diocesan and Tikanga Mission Councils. Tikanga contributions reached 90.3% of target, with total Tikanga Giving increasing by \$5,000 (0.4%) compared to 2013. Waikato and Taranaki, Waiapu, Wellington, Nelson and Dunedin Dioceses along

with Te Pihopatanga exceeded last year's efforts and Wellington was once again the highest giver in the country. The Board continues to be humbled by the ongoing commitment of the Diocese of Christchurch, who has maintained their giving at pre-earthquake levels every year since the devastating earthquakes of 2010 and 2011. The Board is very grateful for the continued strong support received from the church given the challenging economic times, especially as the full effects of the increases in insurance premiums impact Parish finances.

Total Tikanga Giving of \$1.308 million was provided by the Church for the Global Mission work of the Church, coordinated by Anglican Missions. 131 Parishes increased their giving from 2013 while 137 reduced, and 130 Parishes remained the same.

Nearly \$44,500 was raised by parishes for Mission Partner Projects. Funds raised for Jerusalem and the Middle East increased by over \$8,000 to just over \$24,000.

SPECIAL THANK YOU

AMB wishes to acknowledge the generosity of donors, in particular the Henry and William Williams Memorial Trust (\$135,500), and the Association of Anglican Women (\$33,000), who continued their long-standing support of Overseas Mission.

SPECIFIED DONATIONS

These are donor donations received for mission work outside the usual operations of the Board, and transmitted overseas in accordance with the wishes of the donors. These specified donations are recorded as

income and expenditure once they are distributed as they represent significant extra giving by the Church. (The donations are processed with no administration charge levied). The sum total of these specified donations, received and distributed in 2014 amounted to \$216,000, an increase of \$59,000 on 2013.

Of the \$216,000 remitted on behalf of donors in 2014, the main recipients were Polynesia (\$152,500), NZ Church Missionary Society (\$11,800), Tanzania (\$24,600), and PNG (\$7,200).

APPEALS

Fundraising

The Board continues to grow a database of individuals interested in supporting the work of Anglican Missions directly. In 2014, the **Lenten Appeal** included projects from the Diocese of Polynesia and the Diocese of Jerusalem, and the Middle East raising over \$35,300. The recipients of the Appeal were the House of Sarah, (Polynesia), Baghdad School, Iraq, the clergy of Gambella, Ethiopia. We received a particularly moving Report from Revd Canon Johann Vanderbijl at St.Frumentius' College in Gambella.

Gambella Clergy Training

Every session always gives rise to lively discussions and debates, which the men love as they do not have the ability to talk through issues such as these with their peers other than when they get together at these training sessions. The distances are great, it takes one man five days to get to us, the network is unreliable so they cannot even chat on the telephone, when they want to. Most do not have access to internet, and travel for them is cost prohibitive. They just do not have the money to hop on a bus at the drop of a hat, so they might have much needed fellowship with their brethren. So, these times are extremely precious.

The men in our discussion group asked me “How does this man know our struggles? Who has spoken to him about us? It is as if he sees into our hearts.” But, I said to

them, “it is not the man, who sees into our hearts, but the Scriptures he teaches”. These are the words of Isaac Pur, Nuer pastor and Mother’s Union Literacy Training Coordinator, during a recent Clergy Training event on the subject of the Ten Commandments.

I had divided the clergy into three smaller groups based on language, so that they might freely be able to discuss culturally relevant questions in the light of the specific commandment I had just taught. All the questions seemed to touch a nerve, and the discussions were lively, but one clearly troubled them deeply. That was the question pertaining to the commandment, “You shall not murder”. Given the horrors of war experienced by every man in the room, the groups were clearly divided. Some felt that murder was justified, when one was forced to defend oneself or one’s family, while others believed that nothing could justify the taking of another human life. Usually, time is controlled as we only have two precious days of training, but in this case, I felt I needed to give them more time to work through this issue together as Christian brothers and leaders in their respective communities. After all, they would no doubt have to reason through similar questions with their members, once they returned to their churches.

The Report back time was interesting, to say the least, and the conversations continued deep into the night and into the following day. Iron sharpens iron, the Scriptures say, and these men all agreed that, after the teaching and discussion groups, they were better able to deal with the tragic pastoral reality that is theirs in a

region bordering on a war zone.

None of this would be possible, if it were not for those, who partner with us in the Lord's work in Gambella, Ethiopia.

Iraq, St George's Kindergarten, Baghdad

Father Bill Schwartz reported in April 2015, "I was in Baghdad last month and can confirm that the ministry of the kindergarten is a strong witness in the community, and a real blessing to the families of

the children involved. I know there was a plan to add another floor to the school, and expand the ministry in general. However, the uncertain political situation makes this somewhat less of a priority at present." We continue to pray that funds will be used for this life changing ministry, when it is secure to do so.

Spring Appeal

The 2014 (Spring Appeal) raised \$10,700, a reduction of \$12,300 on 2013.

Emergency Appeals

Gaza Emergency Appeal

The Diocese of Jerusalem received \$28,687 from this emergency appeal. We were advised by the Projects Officer of the Diocese of Jerusalem, that the funds were disbursed as follows:

Item	# of patient	Cost /unit (\$)	Total (\$)
9 Free medical missions	533 patients	25.838	13,722.00
32 Burned cases with 242 treatment sessions	242 sessions for 32 children with burns	15 per session (242 sessions)	3,630.00
165 Malnourished children had 260 visits	165 patients	49.466	8,162.00
Follow up surgical treatment for 15 patients	15 patients	211.53	3,173.00
TOTAL 745 patients			28,687.00

Emergency Appeals

In 2014, \$82,843 was raised for Emergency Appeals, (The two main appeals were for Al Ahli Arab Hospital, and the Solomon Islands Floods), which is a significant increase on 2012 and 2013. In addition, Anglican Missions also contributed a further \$10,000 from the Board's Emergency Fund, to assist in relief efforts in the Solomon Islands. We are grateful to the church for the trust placed in AMB to run Emergency Appeals, and we appreciate the additional work done by the staff to run these Appeals.

Solomon Islands Emergency Appeal

Report received from Dr Abraham Hauriasi, the General Secretary of ACOM

The Anglican Missions Board was among the first of our partner agencies to respond towards the ACoM's Emergency Relief Appeal with an initial donation of NZD \$10,000. By August 2014, total donations from the AMB and other Church groups in New Zealand including the Māori Tikanga totalled NZD \$49,123 or SBD 299,161.

During the emergency relief phase of the our response, a total of SBD 77,782 or NZD \$12,772 was spent on food supplies, tents, and trauma counselling for the survivors of the floods. Another SBD 15,000 or NZD \$2,463 was used to purchase building materials for the Sisters of Melanesia, to rebuild their household at Vutu on Guadalcanal. This means, the remaining balance of NZD \$33,888 was supposed to be used for the reconstruction phase of our response to the April floods. However, necessary data from the National Disaster Management Office was outstanding at the end of 2014, so this did not go ahead. NB in March 2015, permission has been requested from the AMB to use part of the remaining balance to fund our emergency relief response to cyclone Pam in Vanuatu, and the Solomons. We will let the AMB know in due course as to how much of this balance will be used for this purpose.

The ACoM would like to sincerely thank the AMB and the Church in New Zealand for their prayers and support, which they have generously demonstrated through these donations. Thank you, for standing alongside us in our time of need.

BEQUESTS AND LEGACIES

Since the inception of the Board, many individuals have bequeathed sums of money to the Board for the purpose of supporting the global mission of the Church. Bequests and Legacies have become an important source of Mission Funds for the Board, contributing significantly to the Board's "Mission Taonga". A significant bequest was received from a former AMB member Peter Velton of \$462,500. Bequests totalling \$463,500 were received in 2014.

STAMP SALES

2014 was a bumper year for stamp sales, totalling \$20,929. We continue to be very grateful for the band of volunteers, who process the stamps, and make them suitable for sale, enabling some high worth stamps to be sold through international auctions.

ANNUAL FINANCIAL RESULTS – SUMMARY

The total recorded income in 2014 was \$2.295 million. This is a tremendous achievement as the difficult economic environment continued to impact our donors. The final surplus for the year is \$506,383 compared to the original approved budget surplus of \$16,327.

The Board's Financial Position remains strong as reflected in the Balance Sheet and Cash position of the Board. Further progress was made, during 2014 to develop a long-term Administration Endowment Fund (AEF). The purpose of the AEF is to generate income to fund as much of the Board's administration costs as possible. As at December 31 2014, the total value of the AEF was \$1.49m comprising Term deposits, a proportion of the Peter Velton Bequest, and the Board's share of the value of Anglican House.

The Board resolved in November 2014, to increase the value of the Board's Emergency Fund to \$50,000 as at December 31 2014. To achieve this \$48,500 of the Bequest from Peter Velton was transferred into the Emergency Fund. This increased fund will enable the Board to respond more effectively, when an emergency occurs.

Mobilisation

ENGAGING WITH GLOBAL MISSION

The Board continues to focus on building relationships with parishes, and rohe as it seeks to encourage our Church to engage with Global Mission. AMB is grateful for the Tikanga and Diocesan Mission Councils (DMC) as they work hard promoting Global Mission, and the work of AMB in their Tikanga and diocese, as well as helping challenge dioceses to try and reach the targets set by their Synods. In addition, to the Tikanga Pākehā Missions Council (TPMC), Tikanga Pākehā also have Diocesan Mission Councils (DMC), who play a more 'hands on' role in their respective dioceses, working closely with AMB staff in the area of planning and organising deputations. DMCs also each nominate a member to TPMC.
