OUR MISSION

The Mission Statement of the Board declares that *the Anglican Missions Board enables the Anglican Church in Aotearoa, New Zealand and Polynesia, in a spirit of partnership, to share in the global dimension of Christ's Mission.* It does this by:

Mobilising the Church to pray, give, go and support the global missions of our Church, and to tell mission stories.

Partnering for effective mission with Partner Churches worldwide, Tikanga mission enterprises, and associated Anglican and ecumenical mission agencies.

Resourcing effective mission with financial and cultural integrity; resourcing partnerships, emergency response, especially in our region, poverty projects; and acting as an agency for our diverse church.

OUR VISION

A primary focus for Anglican Missions is the Anglican Consultative Council's Statement of Mission. Anglican Missions promotes this focus and encourages the church to:

Evangelise: Proclaiming the good news of the Kingdom.

Nurture: Teaching, baptising and nurturing the Christian Faith.

Serve: Responding to human needs by loving service.

Preserve: Preserving the integrity of creation for future generations.

Transform: Transforming unjust structures of society, challenging violence of every kind, and pursuing peace and reconciliation.

LOCAL SUPPORT NETWORKS

Currently Anglican Missions provides Mission Grants and Allocations in support of a wide range of mission activities including: the nurturing and provision of resources for new faith communities, aid and relief work, development projects, clergy support, assistance with church administration, theological training for church leaders, primary health care, education for children, the sending of Mission Partners, and special and emergency appeals. Anglican Missions coordinates multicultural mission in partnership with a number of overseas countries in Asia, Africa, the Middle East, and the Pacific.

In presenting this Annual Report, The Anglican Missions Board is grateful for the continuing partnership with Tikanga Missions Councils, Diocesan Missions Councils, parishes /rohe, various Church groups, trusts and individuals. Without their support, the sending of Mission Partners, the support of Church Partnerships and Mission Projects would not be possible.

Thank you!

A BRIEF HISTORY

The Anglican Missions Board of the Church in Aotearoa, New Zealand and Polynesia (commonly known as Anglican Missions, AMB, or the Board) was first established by the Church in 1920 and incorporated as a Charitable Trust in 1922. In 1998 the Board's Canon was reviewed and updated to reflect the 3 Tikanga composition of the Church with AMB's coordination of overseas mission being funded primarily through giving from parishes and rohe, with additional support coming from trusts, bequests and individuals. In 2008 Anglican Missions was registered as a charitable entity with the Charities Commission in accordance with the Charities Act 2005*.

*The Board does not have Donee Status, as specified under the 2007 Tax Act. (www.ird.govt.nz/charitable-organisations/request-oseas-status/) and is therefore not able to give Tax Deductible receipts.

Rev Canon Robert Kereopa

CEO KORERO: ENABLING THE CHURCH FOR EMERGENCIES: A MISSION WE SHARE

During 2017 we have given priority to developing a strong church emergency network across Oceania and the globe. With regular earthquakes and the growing intensity of cyclones in our region, we are thankful that churches are helping in so many ways. Providing shelter, emergency water, food and supplies; psycho-social chaplaincy services; supporting vulnerable communities to be better prepared and training and engaging youth in disaster response and preparedness are some ways we can assist. Our task is to mobilise, coordinate and resource the churches for this effort.

It is pleasing to report that work on rebuilding Maniava village in Fiji is now complete. Through the Cyclone Winston Emergency Appeal, 15 solid new homes have been built for this remote and vulnerable community. We all have a stake in this mission together!

THANK YOU FOR YOUR PARTICIPATION IN CHRIST'S MISSION

We are thankful for the vision, fortitude and hard-work of our many partners in mission, who seek to answer God's call to participate in Christ's Mission. Through them missionaries are sent to foreign lands; churches, schools, homes and hospitals are built and supported; the poor are affirmed and uplifted particularly during challenging times; and God's presence is made visible in dark places.

To our Provincial church - it never ceases to amaze us how generous and committed you continue to be in supporting the overseas dimension of mission. Despite the many challenges in our own neighborhood, the vast majority of parishes and Rohe from across the broad spectrum of our 3 Tikanga church continue to pray for, give to and participate in the global mission of God expressed through the work of Anglican Missions.

Finally, we want to thank each Board and staff member for their hard work and contribution to the Board's vision, direction, and expression of mission. This has been a year of new endeavors with many challenges, and so much to be thankful for.

We all have a stake in this Mission together!

OUR WORK

MISSION WITH KEY PARTNERS (SCHEDULES, CANON IX, TITLE B)

Significant grants went to the work of:

- **NZCMS (\$560,000)** - Anglican Missions' major support continues to go to the New Zealand Church Missionary Society (NZCMS) as it has since the Board's inception in 1922. An Accord between Anglican Missions and NZCMS forms the basis of a partnership between the two entities. The AMB support enabled

approximately 32 Mission Partners to serve overseas in educational work, community development, medical care, evangelism/church planting/enabling ministry and literacy work. They are all involved in helping to transform, in some way, individuals and communities overseas for Christ. NZCMS currently has partners working in Asia, Europe, Africa, the Middle East, the Solomon Islands

Staff at the House of Sarah, Suva, Nov 2017.

and Papua New Guinea. Many have been working overseas for some time and you can read about them in our Projects Booklet and on the NZCMS and Anglican Missions websites. This year we also promoted two Mission Partners as part of our Spring Appeal (see page 19-20): being Margaret Poynton who is working in Papua New Guinea as Executive Assistant to Archbishop Migi; and Miriam Tillman who heads the pharmacy team at the Hospital of Hope, Mango, Togo in Africa.

- **The Diocese of Polynesia (\$182,500)** to support various projects including evangelism, education, mission (clergy) support, health and development projects including the resettlement of landless people, Anglicare, House of

Sarah (providing counselling, refuge, and training for women in Fiji and around the Pacific), mission support for the clergy of the Diocese, further support for the drop-in centre pilot project for young victims of commercial sexual exploitation, and water tanks for Cawaira and Kasuva in Fiji.

- **Tikanga Maori Overseas Missions (\$76,000)** This annual grant to Tikanga Maori supports Te Pihopatanga o Aotearoa (The Maori Bishopric) in its work with specific partners to provide mission support overseas. A large part of this is the Australian Maori Missions outreach activities in Brisbane, Sydney, Melbourne and Perth. A New Zealand secretariat also supports

Hugh McBain of H & W Williams Memorial Trust; Bishop Andrew Hedge of Waiapu; Archbishop Allan Migi of PNG; and NZCMS National Director, Steve Maina at the enthronement of Archbishop Allan Migi, 3 Sept 2017

the Anglican Indigenous Network (AIN). Te Pihopatanga is part of this network which comprises Anglican indigenous minorities in various countries including Aotearoa NZ, Australia, Canada, Hawaii, USA, and Torres Strait Islanders.

- **Anglican Church of Papua New Guinea (ACPNG)(\$89,576)** A significant grant from the Henry and William Williams Memorial Trust continues to support the work of ACPNG, including support for Newton Theological College, Kerina Evangelists College and support for the Archbishop's office and administration.

MISSION WITH OTHER CHURCH PARTNERS

- **Overseas Missions Council of Tikanga Pakeha (OM-TP) (\$34,149)** supporting 5 parish Short Term Mission Teams in 2017. These parish groups went to Fiji (2), Kenya, Vanuatu, and the Philippines. This grant is spent as required depending on applications received.
- **The Church in Melanesia (\$24,213)** This grant supported the development and completion of the Rainbow Wing Safe House at the Christian Care Centre in the Solomon Islands. Funds were raised through our Lenten Appeal (see page

Children in Tanzania.

18). The aim of the Appeal was to raise NZ\$15,000 but we received more than expected from donors and consequently were able to pay a larger grant which meant we were able to contribute an additional NZ\$9,000 to help complete the building. It was officially opened on 13 October 2017.

- **The Anglican Church of Tanzania (\$18,000)** This grant went towards the cost of holding a workshop for representatives of the 27 Dioceses who met and drafted a Strategic Plan for the next 5 years. Funding also helped the Archbishop visit 5 Dioceses over the year.
- **The Episcopal Church in Jerusalem and the Middle East (\$30,000)**

These funds, raised via our Lenten Appeal, supported the Princess Basma Centre for children with disabilities; and the Al Alhi Arab Hospital, Gaza Strip, Palestine which provides comprehensive health services for underweight children.

- **The Diocesan Boys Hostel in Pakistan (\$10,450)** Funds supported the education of the boys by providing water for the hostel, discipleship and leadership development, maintenance, repairs, educational costs and students' breakfasts.
- **Specified Donations (\$80,502)** These are donor donations received for mission work outside the usual operations of the Board, and

Boys from the Diocesan Boys Hostel, Pakistan performing praise song they have written.

transmitted overseas in accordance with the wishes of the donors. These specified donations are recorded as income and expenditure once they are distributed as they represent significant extra giving by the Church. (The donations are processed with no administration charge levied).

MISSION IN ACTION

- **St Christopher's Home Fiji Tertiary Scholarship (\$3,022)**

Funds have been invested in support of children from St Christopher's Home in Fiji to support their tertiary education. Interest funds are disbursed each year. The fund was established as a result of a bequest received by the Board in 2006.

- **Cyclone Donna Emergency Appeal, Vanuatu (\$20,000)** This Appeal held in 2017 was in response to the destruction caused by Tropical Cyclone Donna, a category 5 cyclone, that hit a number of northern-most islands of Vanuatu. The Cyclone damaged infrastructure and buildings, and destroyed crops and food gardens in a country still recovering from the devastation of Cyclone Pam in 2015.

- **Vanuatu Volcano (Ambae) Emergency Appeal (\$18,060)** An Appeal was launched in October 2017 to support the Anglican Church of Melanesia after Manaro Volcano on Ambae Island began showing signs of an imminent eruption. The entire population, some 11,000 residents, were evacuated to other islands and funds from AM were used to procure emergency response items including food and water, and to help equip churches and church facilities that had been used as evacuation centres.

- **Cyclone Winston Emergency Appeal, Fiji (\$66,936)** Although this Emergency Appeal was launched in 2016, significant funds were raised following the initial emergency response, particularly to rebuild the village of Maniava. These additional funds paid this financial year, were especially for the rebuild at Maniava.

Anglican Indigenous Network (AIN) Conference 2017: Mrs Virginia MacDonald, Canada; Ms Teresa Mandricks, Canada; Ms May L. Holokai, Hawaii; Mrs Lynnore Pikaahu, Aotearoa; Dr Rose Elu, Torres Straits, Australia; Ms P. Kalani Holokai, Hawaii; Rev Rachel-Taber Hamilton, USA.

MISSION ENGAGEMENT

During 2017 Anglican Missions employed a Communications Officer and also half way through the year Michael Hartfield

was appointed to the new position of Operations & Projects Officer (OPO) to help coordinate this work.

ORGANISATION COSTS

(\$434,664)

(1) Administration

\$258,931

It was noted by independent reviewers in 2015 that Anglican Missions (AM) is operating well within best practise in relation to administration costs. Administration services ensure Anglican Missions

maintains its high standard of funds accountability and transparency.

(2) Anglican House Premises use and ownership

\$114,371

The Board regularly reviews the costs and benefits of its 50% ownership of Anglican House, acknowledging that while, as a former Bishop's residence, it is a Taonga of the church, continued ownership and occupancy must also be seen to be commercially viable. We continue to be thankful for the provision of an office in such a strategic place in Wellington. The access is easy for all public transport, and we are close to the Wellington Diocesan Office and share good fellowship and relationship with the N.Z. Anglican Pension Board whose office is in the building. The Board Room at Anglican House is used regularly, both by the N.Z. Anglican Pension Board, Anglican Missions and other groups such as OM-TP (Overseas Mission of Tikanga Pakeha).

(3) Governance and Audit

\$61,362

Ensuring that Anglican Missions continues to operate with best practise governance and decision making in accordance with the board's Canon and the aspirations of the three Tikanga. These costs include Board meetings and annual audit costs.

SPECIAL THANK YOU

AM wishes to acknowledge the generosity of donors, in particular the Henry & William Williams Memorial Trust (\$154,750 of which \$86,250 specifically supports Papua New Guinea) and the Association of Anglican Women who continue their long-standing support of Overseas Mission.

APPEALS Fundraising

The Office continues to grow a database of individuals interested in supporting the work of Anglican Missions directly.

Princess Basma Centre, Jerusalem for children with disabilities.

LENTEN APPEAL

The 2017 Lenten Appeal included three projects – two from the Episcopal Diocese of Jerusalem, and one from the Anglican Church of Melanesia; in total we gave NZ\$54,213. The projects were to support The Jerusalem Princess Basma Centre for children with disabilities; the Al Alhi Arab Hospital, Gaza Strip, Palestine in their provision of comprehensive services for underweight children; and the continued development of the Rainbow Wing Safe House at the Christian Care Centre in the Solomon Islands.

Jerusalem

The Lenten appeal provided NZ\$15,000 to the Princess Basma Centre for children with disabilities, especially those suffering from polio paralysis. The Princess Basma Centre for children has an overall vision to see that all children with disabilities have access to quality health services, hope and opportunities. Funds received for this project went towards advanced equipment and tools and will help the Centre to continue responding to great need in the area by providing high quality and efficient services to all patients coming from impoverished economic backgrounds with no ability to pay for their treatment.

Al Ahli Arab Hospital, Gaza Strip, Palestine - services for underweight children.

Al Ahli Arab Hospital, Gaza Strip, Palestine

Funds (NZ\$15,000) sent for this Anglican hospital in the Gaza Strip from the 2017 Appeal are being used in the provision of comprehensive services for underweight children. The overall aim is to control the prevalence of malnutrition among underweight children to prevent further deterioration of their nutritional status. The treatment follows a comprehensive medical approach and the majority of treated children are discharged in better weight and in good health. Our funding will help support this important work and improve the health status and opportunities for some of the most marginalised and vulnerable children.

Rainbow Wing Safe House, Christian Care Centre, Solomon Islands

Funds (NZ\$24,213) raised supported the development and completion of the Rainbow Wing Safe House at the Christian Care Centre in the Solomon Islands. The aim of the Christian Care Centre is to provide a safe and supportive caring environment that is free from all forms of sexual harassment, violence and abuse for most vulnerable groups – women, youth and children. The Rainbow Wing will provide greater access to care, counselling services, positive parenting programs, rehabilitation and education. The Rainbow Wing was successfully completed and opened 13 October 2017. A representative from the NZ High Commission attended the opening.

EMERGENCY APPEALS

In 2017, two Emergency Appeals were launched, both for Vanuatu.

The first was in May 2017 when Tropical Cyclone Donna, a category 5 cyclone with wind-gusts nearing 300kmh, battered northern Vanuatu. The Cyclone caused damage to infrastructure and buildings and destroyed crops and food gardens – all in a country still recovering from the devastation after Cyclone Pam in 2015.

The church in New Zealand responded very generously and we raised just over NZ\$42,600 (\$20,000 sent for initial response; balance in Jan 2018) for the Anglican Church in Melanesia (ACoM) to support relief efforts.

The second Emergency Appeal to support ACoM was in October 2017 after the Manaro Volcano on Ambae Island in Vanuatu began emitting ash and volcanic gas triggering concerns of an imminent eruption. After assessing the situation the government decided to evacuate all 11,000 residents from Ambae. Funding from Anglican Missions was used to procure emergency response items including food and water, and to help equip churches and church facilities which were used as evacuation centres. Again, due to the amazing generosity of our church in New Zealand, we sent a total of \$18,060; NZ\$5,000 for the initial response and then the balance later to assist with the resettlement of the Islanders.

Cyclone Donna - a family tries to repair their house.

SPRING APPEAL

In September 2017 Anglican Missions launched its usual Spring Appeal in support of three projects. We partnered with the Diocese of Hyderabad in Pakistan and with NZCMS and were able to support the following:

- **Diocesan Boys Hostel, Mirpurkhas, Pakistan:** We continued our support for this hostel. Reports indicated our financial support had been well used to support the boys; making a huge difference in their lives which in turn is having a positive ripple effect in their families and communities. Much of the Christian leadership in the surrounding area, including both church and local organisations, is from former hostel students. NZ\$10,450 was provided as a grant for this project going towards: the provision of water, building maintenance and repairs, discipleship and leadership, educational costs and students' breakfasts.

- **NZCMS Mission Partner, Margaret Poynton in Papua New Guinea:** Margaret is a skilled administrator who has been working as Executive Assistant to the Archbishop. During 2017 Archbishop Clyde retired and until the appointment of Archbishop Allan Migi in September, Margaret assisted at Newton Theological College. Funds raised totalled NZ\$8,514.
- **Miriam Tillman, NZCMS Mission Partner, Togo, Africa:** Miriam is leading the pharmacy department at the Hospital of Hope in Mango, northern Togo. Her role involves overseeing the day to day operation of the pharmacy, ordering from international and local sources, and training local pharmacy technicians. Funds raised totalled NZ\$8,644.

BEQUESTS AND LEGACIES

Since the inception of the Board, many individuals have bequeathed sums of money to the Board for the purpose of supporting the global mission of the Church. Bequests and Legacies have become an important source of Mission Funds for the Board, contributing significantly to the Board's "Mission Taonga".

STAMP SALES

Anglican Missions is well known as an organisation interested in receiving used (and mint) stamps. Many parishes and individuals forward stamps and albums to us, which we sell to raise funds for missions. Most of the trimming, sorting, and selling is done by a few experienced and loyal volunteers. We are very appreciative of the work they do to process the stamps and organise the selling. During 2017 we raised approx. \$6,170.

MESSAGE ON BEHALF OF THE BOARD...

It would be an understatement to say I feel somewhat of a fraud writing this 2017 Board Editorial! Rather than write on behalf of the wider Board, I have chosen to share some personal reflections. As the proverbial “new kid on the block” I am honoured to sit on our AM Board with such an experienced and passionate group of Mission leaders from throughout our Province, and am learning more and more about how our unique three-Tikanga Church collaborates together, the history of our Anglican Missions Board, and the folk who have cared for this work in the years past. Firstly, I want to reflect on the importance of this Mission we share – it is arguably the greatest co-Mission of all time. I chose that phrase deliberately (Matthew 28:18-20). Christ told us to go, make disciples of all nations, baptise, and teach. When balanced against all other challenges we face in this world, could there be anything of greater importance than ensuring all people of all nations have an opportunity to enter the Kingdom of God? Secondly, I want to share why I am interested in Mission. Some long years ago, in the quiet moments of preparation before delivering a puppet drama and message based on the Parable of the Good Samaritan, I had a lightbulb moment whilst re-reading Luke 10:25-37 - discovering what the Samaritan did first – *“When he saw him, he took pity on him”*. Pity is an emotional response. It is empathetic. It is driven from a sense of care – so on that night I asked God to make me a more caring man – and He has and He continues to do so. This is why I believe strongly in our Anglican Mission – it is an acknowledgement that we have a Gospel of heartfelt response, a Gospel of Truth to share, and, like the Samaritan, a Gospel of Action. Lastly, I want to express the joy I get from being able to participate in this Anglican Mission – I feel like the Lord has led me home to a place where I can bathe in living waters – a place unlike commerce which has but a single purpose of wealth generation... In this coming year it is my personal aim to serve the Board of Anglican Missions by helping to streamline and focus our Governance processes; by ensuring we do our very best to enable the wider Province to have a full understanding of the Board and its activities; and to undertake to see that our uniquely Anglican Mission aligns to the aspirations and desires of the Province as a whole. Thank you all for letting me share in this Anglican Mission with the Board and with the hardworking Team led by Canon Robert Kereopa – let’s uphold them in our prayers through 2018.

Deputy Chair
